To save his kind, Meical Grabian agrees to participate in a dangerous experiment. One that takes his vampire's thirst for blood and leaves him hungering for something new. An incubus can be sated only with passion—but what woman could love what he's become?

Yet when Caroline Bengal finds him abandoned in a snowy wood, she senses his emotional turmoil and brings him to her desolate cabin. Caroline's compassion and earthy beauty tempt the hunger Meical has desperately been keeping at bay. And soon Meical is visiting Caroline's dreams, seducing his prey while she sleeps.

But another predator has set his sights on Caroline, with more sinister intentions. If Meical is ever to reveal his true nature to Caroline, he'll have to earn her trust...and keep her alive.
