**BE CAREFUL WHOM YOU GIVE THE KEY TO!**

Davis can't stop touching himself, and it's preventing him from finishing his doctoral dissertation. He decides to lock himself in a chastity device, to keep his attention focused on where it needs to be. Lara, a heavy pot-smoking, former one night stand of Davis's, is working behind the counter at the porn shop when Davis buys the device. She persuades Davis to put it on for her, and then she locks him up and keeps the key. Lara has seen the porn Davis is into, and she decides that if he's such a fan of sissified slut stories, he must want to become one himself. Davis comes to realize that being Lara's gloryhole sissy is a dream come true!
