Meghan Elam's life may not have been perfect, but at least it was somewhere just outside the realm of normal. Of course, it only gets worse when Cade MacRoich shows up and saves her from a pack of bloodthirsty monsters. And Cade doesn't stop after playing the part of the redeeming hero. He informs Meghan that she is not human, but Faelorehn and immortal. With the help of her mysterious rescuer, Meghan gradually learns who she truly is and that danger waits for her around every corner, danger that only grows when she ventures into the Otherworld. Between a vindictive goddess nipping at her heels and a mother who has been keeping secrets from her, Meghan must learn her new place in a magical and terrifying world, a world she is now very much a part of.
