The Scriptures: An Overview of Both Testaments Dr. Nathan Ogan

This text is based on a series of lectures given to a small class of ministers training for church leadership in our local Baptist association. The goal of the class and point of the lectures was to provide a well-rounded orientation into the history and literature of each biblical book of the New Testament. My hope in offering the lectures initially was that those destined to lead in churches would gain an appreciation and familiarity with Holy Scripture. That same hope applies to the pages herein.
