Forgotten Tales of Colorado

Stephanie Waters

Forgotten Tales of Colorado Stephanie Waters

Wild characters, diverse cultures, spooky myths and slippery sales schemes color Colorado's past. In a place where shameless showdowns and dusty shootouts over money, drink and women were once standard procedure, storytelling around campfires became an integral part of a rich heritage. From the jackalope and vampires to Indian curses and snake oil salesmen, the Centennial State has it all. Weirder still are the strange but true stories like that of the first body buried in La Junta's Fairview Cemetery, a man who landed there for refusing alcohol to a kid, and that of the hotel in Telluride that once offered a promotion that included funeral costs with your stay. While history may have neglected these silly, seedy and salacious stories, author Stephanie Waters has rediscovered Colorado's best forgotten tales.
