**Martha Weaver craves adventure, but when she and her sister go West to marry two brothers, they soon see they've bitten off more adventure than they can chew!**

Martha's sister Ellen is drawn to the kind Preacher traveling along with them, but the problem is - in a practical sense - the Preacher's of no use at all.

After the driver of their stagecoach dies, it's all up to Martha to get them the rest of the way - trouble is, she's worked out how to get the horses running good and fast, but has no idea how to stop!

When Montana rancher Frank Cassidy sees Martha come tearing past, her long hair flying behind in the wind, he just knows she's the right girl for him. But Frank's been telling some Little White Lies - and they just might turn out to be his undoing, and everyone else's as well.

*Little White Lies is a standalone novel with a HEA, written by the mother/daughter team of Juliet James and Tara Sharp.*

The books in this series are equally enjoyable no matter which order you read them in.
