Blanche's life is hanging in the balance

The Norte Mexicali cartel has labeled her a traitor and is more than happy to have her removed. With her path back south cut off, the only place for Blanche to turn to is Jason and the Devils.

Jason isn't ready to trust her.

The revelation of Blanche's involvement with the cartel has left Jason deeply suspicious and he sure as hell isn't about to stake both his life and his club's future on her words.

They'll have to put the past behind if they want to face the future

With the cartel's looming shadow hanging over both their fates, there isn't much choice left for Jason and Blanche. Will they be able to work together to save themselves or will mistrust tear them apart?

EXCERPT

When Blanche saw Jason it was as though she had been asleep for a while and now she was awake. When she saw him ever part of her needed him.

"Where you heading to?" he asked her.

"Aren't you supposed to ask me for license and registration?" She wanted to be funny but she couldn't quite determine if he was mad at her or if he was playing.

"I asked the question I wanted to ask," he said looking her in the eye.

"You know you're doing this police thing all wrong. I am pretty sure you are supposed to frisk me." Jason put her in the back of the squad car and he got in the driver seat. "You like this stuff, don't you? Are you going to take me to the station and interrogate me?" she asked with double entendre.

That made Jason laugh, "You are going to jabber this entire time, aren't you?" He couldn't keep up the tough act.

"Well that's more like it," she said. She smiled at him through the rear view mirror. He shook his head. He pulled off the main road to a little side road. He stopped the car, opened the back door and let her out while

she was still cuffed. To Blanche, Jason looked as though he were going to eat her. He was gentle as he guided her. She was literally one step ahead of him and bent over the hood of his car. She tipped up on her toes and flexed her buttocks. "Come on. I will bet this was the first thing that crossed your mind when you stepped into that uniform. Wanna play good cop/bad girl?"

Jason rushed her. His big warm hands cupped her, spanning the curves of her backside. He banged against her gently in phantom pumping to suggest to her what he wanted to do. "Oh my God, woman, you drive me crazy. I am about to do something that could get me arrested."

"Make it quick," Blanche whispered.
