## **Bright Island** Mabel L. Robinson

Mabel Robinson's delightful coming-of-age story won a Newbery Honor in 1938 and garnered extraordinary praise from critics and readers alike.

Born and raised on Bright Island off the Maine coast, Thankful Curtis is more like her sea captain grandfather than any of her older brothers are. Nothing suits her better than sailing and helping her father with the farm. But when her dreaded sisters-in-law suggest that Thankful get some proper schooling on the mainland, the wind is knocked from her sails.

Thankful finds the uncharted waters of school difficult to navigate: there's a rocky reception from her rich roommate, Selina; the breezy behavior of the charming Robert; and stormy Mr. Fletcher, the handsome Latin teacher whose caustic tongue masks a tender heart. And while Thankful works hard to make the best of her new life, Bright Island continues to flash in her thoughts, like the sparkle of the sun on the water.

The *New York Times* raved, "One would be hard put to it to find a better contemporary novel than this," and now this evocative tale can be welcomed by a new generation of readers.
