Enchiridion Symbolorum (Spanish Edition)

Heinrich Denzinger, Peter Hünermann

Enchiridion Symbolorum (Spanish Edition) Heinrich Denzinger, Peter Hünermann

El Magisterio de la Iglesia o Enchiridion Symbolorum recoge las confesiones de fe, las decisiones conciliares, los decretos de sinodos y las encíclicas del Magisterio eclesástico. La versión original latina, preparada por el doctor Denzinger y publicada por primera vez en 1854, ha sido reeditada a lo largo de más de un siglo en más de treinta ediciones sucesivas continuamente revisadas y enmendadas por especialistas. La 38 edición del Denzinger, actualizada por el profesor Hünermann de la Universidad de Tubinga, se caracteriza por hallarse completada por una selección de textos del Magisterio tomados de los documentos oficiales del Concilio Vaticano II, de las encíclicas pontificias, las declaraciones de la CELAM y de los documentos de la época postconciliar hasta el año 1995. La presente edición, conforme a la tradición de la obra, consta de dos partes: la primera comprende los credos o confesiones de fe de la Iglesia antigua; la segunda parte, los documentos del Magisterio eclesástico estructurados en orden cronológico y en relación con los correspondientes pontificados de los obispos de Roma. El objetivo de esta nueva versión bilingüe es presentar el patrimonio dogmático de la Iglesia a través de la traducción al castellano de los textos originales, redactados sobre todo en latín y griego, pero también en alemán, español, francés, inglés e italiano. Para esta nueva edición se han refundido las introducciones históricas y los epígrafes, los títulos de las columnas y las notas a pie de página, los índices, las indicaciones de fuentes y las bibliografías. El texto de los documentos ha sido reexaminado y enmendado con ayuda de ediciones críticas. Asimismo se ha dedicado especial atención a la revisión del índice sistemático, en virtud de los nuevos planteamientos teológicos del Concilio Vaticano II y de los documentos postconciliares. Generaciones de teólogos han utilizado y vienen utilizando el Denzinger como instrumento de estudio y fuente de consulta de los textos que exponen las verdades dogmáticas y las interpretaciones de la Iglesia. De interés para teólogos; docentes y estudiantes de teología; sacerdotes, diaconos y colaboradores en las tareas pastorales; Seminarios y bibliotecas episcopales.
