Evie has fully come into her powers as the tarot Empress. And Jack was there to see it all. In the aftermath of killing Arthur, Evie realizes that there is a war brewing between the teens who've been given powers following the apocalypse, and it's kill or be killed. When Evie meets Death, the gorgeous and dangerous Endless Knight, things get even more complicated. Somehow the Empress and Death share a romantic history. One that Evie can't remember, but Death can't forget. Evie is drawn to Death, but in love with Jack. She is determined to discover why she's been granted these powers, and in the process, struggles to accept her place in the prophecy that will either save the world, or destroy it.
