**Imprisoned in a Luminous Glare: Photography and the African American Freedom Struggle** Leigh Raiford

In *Imprisoned in a Luminous Glare*, Leigh Raiford argues that over the past one hundred years, activists in the black freedom struggle have used photographic imagery both to gain political recognition and to develop a different visual vocabulary about black lives. Offering readings of the use of photography in the anti-lynching movement, the civil rights movement, and the black power movement, *Imprisoned in a Luminous Glare* focuses on key transformations in technology, society, and politics to understand the evolution of photography's deployment in capturing white oppression, black resistance, and African American life.
