**Outrageous Truth...: Seven Absolutes You Can Still Believe Robert Jeffress**  
**SEVEN OUTRAGEOUS TRUTHS YOU CAN *STILL* BELIEVE . . . AND WHY**

- “Every other religion is wrong.”
- “God sends good people to Hell.”
- “Homosexuality is a perversion.”
- “Evolution is a myth.”
- “God is ultimately responsible for suffering in the world.”
- “Husbands are to lead their families.”
- “America is a Christian nation.”

In *Hell? Yes!* Dr. Robert Jeffress issues a bold wakeup call to all believers—from college students to grandparents—to stop apologizing for and start proclaiming the tough but essential truths that Christians have historically embraced. And he provides the finest biblical, scientific, and historical evidence needed to defend these core beliefs in a culture turned hostile to God's truth.

Dr. Jeffress believes the secular spirit of political correctness is holding the church hostage. And the tragic result is that the revolutionary, life-changing, positive message of the Christian faith is being watered down. If you are weary of a Christianity that waffles and wavers about controversial issues—if you are ready to stand up and compassionately yet forcefully and intelligently say, “This is what I believe and here’s why”—then this book is for you!

*From the Hardcover edition.*
