Teaching Social Communication to Children with Autism: A Manual for Parents Brooke Ingersoll PhD, Anna Dvortcsak MS CCC-SLP

This manual helps parents master proven techniques for teaching social-communication skills to young children with autism. The authors clearly describe the skills-building techniques and show how to integrate them into everyday family routines and activities. Designed for use as part of a therapist-guided program, the manual includes reproducible forms. Professionals who want to implement this approach should purchase the authors' two book/DVD package (ISBN 978-1-60623-442-6), which includes this manual.
