## **Early Christian Fathers - Enhanced Version** Cyril C. Richardson

Part of the Library of Christian Classics series, Early Christian Fathers is the best single-book introduction to the early church fathers, providing an enriching and informative introduction to first and second century Christian thought. Containing carefully selected letters and works from early church fathers--including among others St. Clement, St. Ignatius, St. Polycarp, St. Justin the Martyr, and St. Irenaeus--Early Christian Fathers gives a representative, though not exhaustive, overview of early Christian thought. A brief introduction and extensive notes also accompany each letter or work, making Early Christian Fathers a great study aid. Thus, with flowing and contemporary translations, Early Christian Fathers is ideal for beginners and scholars alike; it is essential reading for anyone interested in the early church fathers.
