Leading Cases in Constitutional Law, A Compact Casebook for a Short Course, 2013 (American Casebook Series) Jesse H. Choper, Richard H. Fallon Jr., Yale Kamisar, Steven H. Shiffrin

An annually-revised paperback designed for a single-semester course on constitutional law. The most recent set of teaching materials by four renowned professors, who are co-authors of a long-time favorite - - the much larger Constitutional Law: Cases, Comments & Questions, 11th edition. By judicious editing and careful summarizing of the most important Supreme Court cases, the four co-authors of Leading Cases in Constitutional Law have managed to produce a set of constitutional law teaching materials around 1000 pages. The new paperback will be published every summer for classroom use in the fall. It will include all the significant cases handed down during the most recent Supreme Court Term. "Leading Cases" contain what one might call "the essentials" for teaching a basic course in constitutional law. The organization of the new compact book will be similar to the much larger Choper - Fallon - Kamisar - Shiffrin casebook (one which will continue to be revised and published) and the big book (which contains many Notes & Questions) will be available as a "resource" book for the smaller one.
