TEASER:

You may think this sounds awful, but I don't care. I've been experiencing a sexual renaissance that I never would have dreamed of before I met my neighbour, and I didn't care if one of the side effects was that I was becoming an objectively worse person. When you've loved as hard as I have, you care a lot less about what other people think of you.

WARNING: This story contains graphic depictions of hot, steamy sex. Reader discretion is advised.
