Curiosity leads to learning! *Curious George Adventures in Learning* is a researched series for early learners. It was designed by Houghton Mifflin Harcourt, a global leader in education serving 60 million students worldwide.

Each workbook features 12 new mini-stories that provide context for math, reading, and science practice. These stories give children authentic learning experiences that naturally inspire curiosity. Children are more motivated to ask, learn, and retain information when they learn through stories.

In the *Pre-K* workbook, your child will build a foundation for math, literacy, and science understanding. Practice counting to 20, identify basic shapes, and differentiate letters from numbers.?

The workbooks also integrate social and emotional activities to support whole child development. And they're mapped to the Common Core, providing valuable reinforcement of the concepts they learn in school.
