The Nine Fantasies That Will Ruin Your Life (and the Eight Realities That Will Save You Joy Browne M.D.

Every day on her nationally syndicated radio program Dr. Joy Browne gets calls from people looking for sympathy.

They don't get it.

Many of Dr. Joy's nine million listeners--like so many of us--seek the kind of help that only makes us feel good about feeling bad. Dr. Joy believes that we can do better. She knows we can feel good for the best reason of all: because we have gathered the courage and the smarts to say good-bye to the fantasies that perpetuate our problems and shake hands with the realities that give us control of our lives.

Dr. Joy has spent nearly twenty years listening to and advising thousands of women and men about their frustrations and disappointments. She has diagnosed the ways we get in trouble and stay there. In turn, she has a proven prescription for freedom from our self-defeating patterns of thought and behavior that allows for real progress toward our goals. She calls her plan for emotional health **The Nine Fantasies That Will Ruin Your Life and the Eight Realities That Will Save You.**

What are they?

Among the Fantasies, Dr. Joy includes such harmful but highly touted ideas as:

Somewhere I Have a Soulmate

Winning the Lottery Will Set Me Free

Confession Is Good for the Soul

The Realities are less warm-and-fuzzy but a lot more in tune with the world we live in:

Attitude Is Everything

Go for Short-Term Pain, Long-Term Gain

People Do Things for Reasons

In **The Nine Fantasies That Will Ruin Your Life and the Eight Realities That Will Save You**, Dr. Joy Browne shows you how to apply these simple, powerful ideas to your marriage, personal relationships, career, finances, health, and every other area of your life.

No matter how difficult or long-standing your problems, Dr. Joy will show you how to become a fearless, focused, and, most important, happy adventurer in your own life. That may sound like a fantasy, but you can make it your new reality.

Dr. Joy on Fantasies

"Look, I know you think fantasies are fun, sexy, and cool, whether your dream is of Cinderella or Prince Charming, or that your love will be passionate, available, rich, gorgeous, and lovable. Everybody indulges in fantasies from time to time, but as a lifestyle choice, we're talking dis-as-ter! Even if these seemingly harmless little devils don't ruin your life, they can cause a lot of avoidable misery. . . . Fantasies are a distraction from the business of running our lives successfully and realistically. I plan to wrestle these pesky

critters to the ground so we can all get on with the pleasure of focused thoughts and energy."

Dr. Joy on Realities

"We've become so used to the idea that the real world is dangerous that reality has gotten a really bad reputation. I'm going to show you that reality is a lot less scary than you've been led to believe, and that it is actually potentially helpful, healthy, life-affirming, and the most useful game in town."
