Daisy Miller (Penguin Classics)

Henry James

Daisy Miller (Penguin Classics) Henry James

Travelling in Europe with her family, Daisy Miller, an exquisitely beautiful young American woman, presents her fellow-countryman Winterbourne with a dilemma he cannot resolve. Is she deliberately flouting social convention in the outspoken way she talks and acts, or is she simply ignorant of those conventions? When she strikes up an intimate friendship with an urbane young Italian, her flat refusal to observe the codes of respectable behaviour leave her perilously exposed. In Daisy Miller James created his first great portrait of the enigmatic and dangerously independent American woman, a figure who would come to dominate his later masterpieces.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
