Magic Johnson was never HIV Positive: Joan Rivers Doctor is a Hoax (911 Engineers vs Sean Hannity & Wolf Blitzer) (Volume 2) Brett Salisbury

Just days after the death of Joan Rivers, things once again didn't add up. A simple search of pictures, the hospitals, the doctors and spokesperson? All Fake. Take a look on the preview you are seeing and a few videos to establish the truth and credibility. We want to create a book that never ends and that everyone comes to for real answers. This is that book. You simply log on with a link to this book and we solve every crime or terrorist attack to see exactly what really happen. We are convinced that when you realize you are helping solve these mysteries together, then we no longer have to tolerate a media that has distorted everything we know. 2 Corinthians 4:4 "Satan is the God of this world" (Although God the father is the God of this Universe along with his son). Please bring everyone you know and get them involve. This is not a book. This is a movement that's never been done. The internet allows you to search archives of people for free and see just who they are. Imagine being able to tell the police or FBI you have solved the crime and it's in The Sacred book of Hoaxes Manufactured by the Media. Is that now what this book is called? Lol For starters if you want. Look up the doctor that was "fired" by the Joan Rivers staff. His name is Dr. Lawrence B. Cohen. <http://www.mountsinai.org/profiles/lawrence-b-cohen> When you begin to research him. He only has 4 pictures ever taken. This was supposedly the top doctor in the country as "Mount sinai" will tell you. There will be on that website a PDF file that looks fake. You can see the date of the picture on that file. Then go to google and try to match that date and the website it came from. It doesn't exist. There will be no articles before the tragedy of Joan Rivers on this doctor. He is a crisis actor. From John Lennon's death to JFK's. Most things are staged. You will be shocked as we show you. You will also learn that JFK's brain was never autopsied. And that no palm print was ever found by the FBI. That a Dallas Police officer "pulled the print" a week after the top forensics team in the country. The two days that Lee Harvey Oswald was being interrogated? Not a single recording was taken or any notes. This is key in knowing the real facts from a source that I believe is the best in the world as he has no agenda. He is "Non-Partisan." Here are these facts from November 22, 1963.: http://www.crimelibrary.com/criminal_mind/forensics/cyрил_wecht/index.html We can change the world and start a revolution. Here is that article from the top forensic non-government doctor in the world. Read that article after you view these videos and let the journey begin.
