Meet Radhika

I always wanted a boyfriend and now as I am with Apurv I can't be happier.

Meet Apurv

I never thought I will meet someone and fall in love, particularly in college. I have not only fallen in love but learned to rise in it.

Let's Get Committed

They used to chat and then they used to chat again. Till 5'o clock in the morning.

'N' then they used to chat again. And then after few hints from Radhika, Apurv confirmed that if it came to going out on a date 'I will choose you'. And he chose her on 26th March 2008.

Together they spent four years, discovering each other, fighting, breaking up and then making up.

It had been quite a rollercoaster ride for them. Been there done that. They thought the bumps are over but fate gave them another bumpy ride.

DISTANCE. And they said. Common ...bring it on!

Let's love... from a distance.

Apurv and Radhika's hierarchy of love has been reversed.

Committed yet somehow single, they are now in a long distance relationship.

Once again their love life is all about e-mails, Skype and e-cards.

September marked the upside of long distance. October downside.

November made them miss their firsts. Insecurities ruled December.

Valentine's month sprang loneliness. March for wedding fever and what not.

Accompanied by...

Shweta breaking all bounds for her childish crushes.

Shrey the hunk with punk and without a girl.

Nidhi, the girl who is juggling two guys at a time.

Akshat 'grim geek' who's girlfriend is soon to be married to someone else.

Riya in an attempt to retain her unhealthy relationship with compulsive Virat.

It's going to be a racy, loving, fun-filled, heart breaking, belief shattering, high on jealousy and insecurities, intense on romance and promises, ride for them.

Are you hopping along?
