Picturing English 4 follows the same format as Picturing English 3. It focuses on nine individual vowel sounds and their spelling patterns. Picturing English 4 also provides an explanation for when to pronounce 'ed' at the end of past tense words.

Idioms are explained, unusual silent letters pointed out, and spelling patterns organized for each specific vowel sound. These stories can be used as a study guide to remind you of the spelling patterns when you write and the sound patterns when you speak.
