Say You're Mine! A.J. Ridges

Drew's been rejected by Kane March one too many times. If Kane doesn't want him, he'll find someone else who does, and his twenty-fifth birthday bash is the perfect place to do it.

Unfortunately that's easier said than done, especially since Kane won't let Drew out of his sight and purposely scares off any man who pays Drew the slightest attention.

When the night comes to an end, will Kane walk away from Drew like he always does or will Drew's birthday wish finally come true?

This is a complete, short, gay, erotic m/m romance, approximately 4000 words. It features explicit m/m sexual situations, content and language and is intended for adult readers.

'Say You're Mine' is the amazing result of a reader's outlandish request. When I was challenged to: write, edit, create a cover and publish an erotic short story in less than 24 hours, I couldn't possibly refuse. This story is the result of that fun request.

Needless to say, the reader was so shocked and delighted with the result of her challenge that I decided to share Kane and Drew's story with the rest of the world. I hope you enjoy this quickie tale. - AJ
