## Ulysses (Diversion Classics) James Joyce

Featuring an appendix of discussion questions, the Diversion Classics edition is ideal for use in book groups and classrooms.

A classic work that defies genre and turns form on its head, James Joyce's masterpiece is a defining force behind the modernist movement. The rambling tale of a single day in Dublin across the lives of many characters, it is at first glance chaotic but in fact meticulously structured. Although often contested for its challenging subject matter, ULYSSES nevertheless remains a staple of twentieth-century literature.
