Using French Vocabulary (English and French Edition) Jean H. Duffy

This textbook provides a comprehensive and structured vocabulary for all levels of undergraduate French courses. It offers a broad coverage of the concrete and abstract vocabulary relating to the physical, cultural, social, commercial and political environment, as well as exposure to commonly encountered technical terminology. The book is divided into twenty thematic sections for easy integration into modular courses. Within each section, words and phrases have been grouped into units and broadly "graded" according to likely usefulness and difficulty. There are 750 accompanying exercises for private study and classroom use.
