## My Kind of Crazy Sue Langford

"When Emma James left home to be with Wade, she had no idea what she was really getting into. When she ended up being a hostage instead of a fiancée, she knew she had to find a way out and fast.

When Luke Williams made that stop on his normal tour, he headed straight down to his favorite lake. Even if it was cold, he was getting some perspective on things. That is, until he bumped into Emma. She needed his help. Who was he to say no? She was the first woman in years to catch his eye. Now, all he had to do was hold onto her.

Sometimes people get themselves in a situation that nobody can fix. That was Luke's kind of crazy."
