Seduced

Nelson George

Seduced Nelson George

"[A] smart, funny, and wonderfully resonant novel . . . It's the 1980s, and aspiring songwriter Derek Harper is a man easily seduced. Not only do the Big Three *money, fame, and women *keep him running, but Harper falls prey to subtler forms of seduction as well: the ease of rationalizing bad behavior, abdicating responsibility, and keeping the whole world at arm's length. All these issues are brilliantly interwoven with a behind-the-scenes look at the music industry, particularly the evolution of rap."

*Los Angeles Times Book Review

"Seduced is at its most compelling when author Nelson George delves into the differences between life in the projects and the middle-class heaven of St. Albans and how it evolved over thirty years. . . . George's style is, well, seductive, luring the reader into a world that takes in the range of black experience funneled through the music industry."

*St. Petersburg Times

"Seduced shows Nelson George at the top of his game doing what he does best: zinging the black music biz. The road chapters alone have enough shrill wit, stabbing satire, and tight accuracy to parallel the life of anyone who's ever been out there during the Reagan-stressed '80s."

*Houston Chronicle

"In Seduced, Nelson keeps it real. This is a sex story, a New York story, and a music biz story rolled into one, starring a humble, beautifully average middle-class dreamer, who's not unlike a male version of a Terry McMillan heroine."

*Touré

From reader reviews:

Jodi Saldana:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make these individuals keep up with the era which is always change and advance. Some of you maybe will update themselves by reading through books. It is a good choice for you but the problems coming to anyone is you don't know which you should start with. This Seduced is our recommendation so you keep up with the world. Why, because book serves what you want and wish in this era.

Steven Campbell:

Now a day those who Living in the era everywhere everything reachable by talk with the internet and the resources inside can be true or not demand people to be aware of each data they get. How a lot more to be smart in obtaining any information nowadays? Of course the answer then is reading a book. Reading through a book can help individuals out of this uncertainty Information especially this Seduced book because book offers you rich data and knowledge. Of course the information in this book hundred pct guarantees there is no doubt in it you probably know this.

James Connell:

Information is provisions for those to get better life, information these days can get by anyone in everywhere. The information can be a know-how or any news even a concern. What people must be consider whenever those information which is within the former life are challenging to be find than now is taking seriously which one is appropriate to believe or which one the actual resource are convinced. If you find the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Seduced as your daily resource information.

Meghan Drucker:

The book Seduced has a lot details on it. So when you check out this book you can get a lot of gain. The book was written by the very famous author. This articles author makes some research just before write this book. This book very easy to read you will get the point easily after reading this article book.
