The Russian Army 1914-18 (Men-at-Arms)

Nik Cornish

The Russian Army 1914-18 (Men-at-Arms) Nik Cornish

Often overshadowed by the drama of its catastrophic collapse in the November 1917 Revolution, the Imperial Russian Army's record in 1914-16 included some notable victories. Its human qualities of patriotism and endurance were remarkable, and in 1916 the 'Brusilov Offensive' on the South-Western Front outdistanced anything that was being achieved in France. The variety and romance of its uniforms - infantry and cavalry, Guards and Line, Cossacks, armour and Air Service crewmen, even a priest - are splendidly captured here by Russia's leading military artist; and Nik Cornish's expert text is supported by tables of insignia and many rare photographs.
