[(William and Kate: A Royal Love Story)] [Author: Christopher Andersen] [Dec-2010] Christopher Andersen

By the #1 New York Times selling author of "The Day Diana Died." Theirs is the story of two young people who found each other in college, came perilously close to losing what they had forever, and pulled back from the brink at the last possible moment. Theirs is the story of private moments stolen for public consumption, of harrowing car chases, of scorching personal dramas played out behind the scenes, of calm heads prevailing in times of panic, and of a singular devotion made stronger by time. The saga of William and Kate is one thing above all else: A love story.
