## **IP Factly presents... "25 River Monsters"**

**Amazing facts, photos and *video links* looking at some of the huge, scary or fearsome animals that live in the world's rivers.**

Aimed mainly at the 8+ age range, it's a fun and exciting way for newly and not so newly independent readers to find out more about animals. Books by IP Factly have been #1 kindle bestsellers because they present animals in a fun and entertaining way - mixing facts, photos and video clips.

IP Factly's Amazing Animal series has been designed to encourage and bolster independent reading.

Please Note: This book is not associated with the Jeremy Wade TV series 'River Monsters'.

## **Accompanying webpages with video clips**

This book provides fact after fact for information hungry children to tell family and friends, and even has accompanying webpages with video clips of all the river animals in the book.

It makes learning fun and gives a real reason for children to want to read by themselves. Kids will love discovering animal facts to share and enjoy.

The Amazing Animals range encourages children along the path to truly independent reading and learning. See for yourself by clicking on the front cover to look inside the book.

This book is great for newly independent readers and not-so-newly independent readers alike. Difficult words are explained and fascinating facts are explored.

## **Video Links**

The animals are accompanied by pictures and facts plus video links so children can learn more about the animals and how they behave.

The video links mean children come back again and again, naturally developing their reading and learning skills.

## Reviews for other IP Factly books

### **5.0 out of 5 stars Fabulous Little Book By Spudman (Pasadena, MD United States)**

(VINE VOICE) (TOP 100 REVIEWER)

This review is from: The 25 Weirdest Animals in the World!

I downloaded this book on a whim and am glad I did. The animals featured are fascinating, as are the accompanying photos. I really like the links to videos at the end of each segment.

Readers learn the habitat, diet and description of each creature. Young readers will certainly enjoy this book. Even this older reader was entertained by it.

### **5.0 out of 5 stars My son loves this book! By K. Smith "Taaa!" (St. Louis, MO)**

This review is from: 25 of the Most Poisonous Animals in the World!

This book is really cool. It is part of a series of books 25 of the most \_\_\_\_\_ in the world. It gives a great description of the animal, what it does, lives, eats, ect. But at the end of each animal, there is a link to click on and it will take you to a webpage with videos of the animal. My son will read this book and watch the videos for hours on end. This is a really great education tool. The concept is fabulous! I highly suggest buying this book for your kiddo. My son and I have so much fun watching and reading this together. You or your kid will not be dissapointed.
