**Anti-Pamela and Shamela (Broadview Literary Texts)** Eliza Haywood, Henry Fielding

Published together for the first time, Eliza Haywood's *Anti-Pamela* and Henry Fielding's *An Apology for the Life of Mrs. Shamela Andrews* are the two most important responses to Samuel Richardson's novel *Pamela*. *Anti-Pamela* comments on Richardson's representations of work, virtue, and gender, while also questioning the generic expectations of the novel that *Pamela* establishes, and it provides a vivid portrayal of the material realities of life for a woman in eighteenth-century London. Fielding's *Shamela* punctures both the figure Richardson established for himself as an author and *Pamela*'s preoccupation with virtue.

This Broadview edition also includes a rich selection of historical materials, including writings from the period on sexuality, women's work, *Pamela* and the print trade, and education and conduct.
