Do Long Distance Relationships Work? Insights From Someone Who Has Been There & Done That Carol Lee

It takes someone who has been in a long distance relationship to know what it is like. This book is not about reassuring you that things will be fine. It is not about telling you that your long distance romance will work out.

Instead, it is about what it takes to handle a long distance relationship and whether you are up for the challenge. Find that out now. Other topics covered include dealing with trust issues, how to make a long distance relationship work and potential red flags you should look out for.
