Light in Shadow: Zoe Luce is a successful interior designer who's developed an unusual specialty - helping recently divorced clients redesign their homes. When she senses that one of her clients may be hiding a dark secret, she enlists P.I. Ethan Truax to find the truth. They solve the mystery...and barely escape with their lives. But Zoe's own past starts to shadow her every step... Truth or Dare: Zoe Luce is settling into newlywed life with private investigator Ethan Truax. Very few people know of her uncanny ability to sense the dark secrets hidden within the walls of a house, and she wants to keep it that way, even from Ethan. As a private investigator, Ethan is paid to find the truth, yet he has secrets of his own that are better left buried. Is the truth a bigger burden than their still-fragile relationship can handle? Falling Awake: Isabel Wright spends her days at the Belvedere Center for Sleep Research analyzing the dreams of others. One of her anonymous subjects captures her imagination through his compelling dream narratives. His real name is Ellis Cutler, he works for a highly classified government agency, and he has just been ordered by his boss to make contact with Isabel. But when they meet in the flesh, the dream becomes real enough to touch. And a waking nightmare begins...
