Letters to the Seven Churches (The William Barclay Library) William Barclay

William Barclay devotes two chapters to each of the seven churches addressed in the book of Revelation. One chapter characterizes the ancient city and the other comments on John's message to the members of that community. This reissue of an older Westminster Press title makes a welcome addition to the highly popular William Barclay Library series.

The William Barclay Library is a collection of books addressing the great issues of the Christian faith. As one of the world's most widely read interpreters of the Bible and its meaning, William Barclay devoted his life to helping people become more faithful disciples of Jesus Christ.
