## **Regeneration: Wandering Stars Volume Four** Jason Tesar

The Temporal Realm is fragmented. It exists now as three worlds moving in parallel through time, sharing a common history, connected by a mysterious portal.

In the aftermath of a cataclysmic flood, Sariel wanders the desolate earths, searching for signs of life. The process of regeneration has led each world in a different direction, but Sariel uncovers their unique dangers and the sinister unity that binds them together. The gods are looking to the future, exploiting their temporal advantage to influence the war in the Eternal Realm. At the center of their efforts are the fragile remnants of humanity. Sariel, inspired by the words of an old friend and driven by his loyalty for a new one, will risk everything he has left in hopes of saving mankind.

In Volume Four of the Wandering Stars, Jason Tesar's fantasy epic draws to a close. With the prehistoric age of gods and monsters fading from human experience, a new era of myths and legends is born. An ancient prophecy is unveiled, bringing the story to a violent conclusion and setting the stage for the coming of The Awakened.
