“The minute I sign those documents, I lose everything.”

“I never wanted your money, Booker.”

“I know. It’s one of the reasons I’m here right now.” He took a deep breath. *“But... wouldn't you like to spend it?”*

The idea is simple. An extravagant holiday to spend as much money as Booker and Clara can before it all gets taken away.

But Booker isn't telling Clara the whole truth. There's another reason they going to his private tropical island. A reason that could see Booker dead, and Clara in jail.

What could be important enough for him to risk everything? And who is the mysterious woman Clara spies kissing Booker when they arrive?

Between the Sheets 3: The Romance Reader is a short, sweet, clean romance that is a Christian friendly re-imagining of a best-selling billionaire romance series. It does not contain sex, violence or swearing. It is a romantic tale of values versus money and greed!

Each book in this four part series is a self-contained episode within a larger storyline.
