Capital in the 21st century (Chinese Edition) Thomas Piketty

French economist and professor at the Paris School of Economics Thomas wealth over the past 300 years. income European countries made a detailed inquiry. through a lot of historical data analysis . aims to demonstrate recent decades. inequality has been expanded. and soon will become more serious. He believes that we are a throwback to the inherited system of capitalism years. Under such a system. the commanding heights of the economy is not only determined by the wealth. but also determined by inherited wealth. and thus was born the day after tomorrow than hard work and can be more important. Pi Kaidi pointed out that the richest people about whom not because of labor to create wealth. but because they are already rich. Sentence: life and inequality. Since the return on capital tend to higher...
