## **Making Love to My Best Friend: A First Lesbian Experience** Hope Parsons

It had been over three years since my best friend Diana got the tragic news of a devastating accident that left her husband comatose. After years, when she finally realized he was never going to wake up, she resorted to placing personal ads online looking for anonymous hookups just to relieve some of that built up tension. I couldn't let her get with strangers, so I decided to give her what she needed along with what'd been on my mind for a long time, a hot and steamy passionate night together with her best friend!

Warning: This ebook contains very explicit descriptions of sexual activity and includes lesbian seduction and first lesbian sex. Only mature adults who will not be offended by such content should read this story.

Here is a preview:

“It’s been so long, Nan. I...I haven’t cum in three years.”

The words hit me like a slap to the face. That’s not a good simile. Really, they shocked the hell out of me, but it didn’t shock me into inaction but the opposite. I tried to throw my arms around her and realized that they really were completely restrained by my dress. So, instead I said to her, “We’re going to make up for all three years today.” It wasn’t the brilliant, almost romantic, and sexy-beyond-comprehension thing I’d intended, but it was all I could come up with on short notice.

She stepped forward and kissed me again and then moved lower, pulling my bra down on the left side and exposing my left breast. She didn’t hesitate at all but just put her mouth over my nipple and sucked while she flicked her tongue over it. I could feel it in my pussy, and it was kind of weird because I thought about using online maps and how they would show two locations with a thick blue line to indicate the path. With her mouth on my nipple, it was like a thick blue line traveled from my breast right to my clit and let the pleasure know where to go. I gasped and tried to put my hand on her head. She pulled away and looked at me, a bit confused. Finally, she realized how I was bound. “I should leave you tied up,” she said. That thrilled me, but she didn’t actually do it. Instead, she grabbed my dress and yanked it over my hips and let it fall in a pool over my feet.

It was so strange to see (and feel) my best friend, who’d spent so much of the past year in a kind of depressed fog, become so aggressive. I was thankful, really, because though I’d asked her to come over for the very purpose she was so earnestly fulfilling; I’d been nervous and inexperienced and unsure how to proceed. Diana’s need was taking over, though, making any of my nerves irrelevant. She was almost animalistic, and with three years of abstinence I could understand why.
