As a pupil exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that looking at is not important, boring and also can't see colorful images on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this The Log of the Snark (Classic Reprint) can make you truly feel more interested to read.
