**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

*Concepts of Genetics, Eleventh Edition* emphasizes the fundamental ideas of genetics, while exploring modern techniques and applications of genetic analysis. The best-selling text has a strong problem-solving approach, and this edition has been extensively updated with relevant, cutting-edge coverage of emerging topics in genetics. The accompanying MasteringGenetics™ online platform is updated with new tutorials and practice problems.
