Helena Morris Mystery Book 1

Martial arts instructor Helena Morris has a few weaknesses. One is her FBI agent ex-husband who she avoids. The other is her superstar sister Sonia who is divorcing a soap star hunk of a husband. When Sonia needs protection from a stalker, Helena finds herself playing bodyguard and investigator. Glitz and glamour aren't her style but she must gain full entry into her sister's world to keep her safe!

It's hard to know who to trust when half the suspects are professional actors with out of control egos. A murder too close for comfort stuns everyone and Hel knows her sister is probably next. Working the case with a little help from her still interested ex, a hunky LAPD detective, and other helpful friends, she has to track down rabid fans and clear jealous co-stars to get at the killer. With so many suspects, she'll have to outsmart them all while not pissing off the LAPD to get a step ahead of the killer.
