Engaging children in a church worship service can often be difficult. How can a parent, grandparent, or church leader help a child enjoy listening to and learning from the sermon? Sermon Notes for Kids provides the much needed direction that many have been looking for. It contains 7 various note-taking activities designed for kids ages 6-12. There are 4 bonus sections included: Missionary Moments, Prayer Meeting, Communion, and a Guest Speaker Log. Each note-taking activity section contains instructions as well as additional tips and extra challenges. Sermon Notes for Kids was born as a result of creator Jill Connelly's years of sitting alongside her 4 children during Sunday worship services. All the activities in this book have been kid tested and approved! Parents, grandparents, and church leaders will all find this book to be a valuable tool. But be warned! This note-taking journal has the potential to quickly become a keepsake you will treasure forever as you look back at the child's notes and see how much he has grown in his ability to listen and comprehend even seemingly difficult sermons.
