The MacGregors: Alan & Grant: All the Possibilities/One Man's Art Nora Roberts

#1 *New York Times* and *USA TODAY* bestselling author Nora Roberts enchants again with two more beloved classics about the passionate and headstrong MacGregor family.

All the Possibilities

Creative, compelling, unconventional—Shelby Campbell was unlike any woman Senator Alan MacGregor had ever known. The cynical politician found himself falling in love with the spirited beauty, though she kept him at arm's length. But Alan was determined and nothing was going to keep him from getting what he wanted—not even the centuries-old feud between the MacGregors and Campbells....

One Man's Art

Grant Campbell was a loner—rude and impossible! Yet as soon as he opened the lighthouse door to Genevieve Grandeau on that stormy night, she was lost. Underneath his gruff, handsome exterior, he was intelligent, sensitive...and slightly scarred. To Gennie, loving meant sharing, trusting. But Grant was hiding in the shadow of the past, afraid to move beyond it. She'd have to convince him that their love was a beacon for the future—but how?
