(Choral). Every Christmas Eve for decades, the world-renowned Choir of King's College Chapel, Cambridge has broadcast the Festival of Nine Lessons and Carols worldwide. It never fails to inspire and appeal by bringing together readings from the Christmas story with the singing of traditional carols in which all may join: classic Christmas arrangements for the choir and exciting newly-composed anthems that often become choral classics. Now the King's College Director of Music, Stephen Cleobury has created this collection of forty-six of the most enduring choral pieces from the festival, including works by David Willcocks, Philip Ledger, Stephen Cleobury, Richard Rodney Bennett, Bob Chilcott, John Rutter and more.
