How To Predict Future Lottery Results Book 3: Know Tomorrow's Number Today On A Month-By-Month Basis Francis Isaac

My first book, titled How to Predict Future Lottery Results, did present two number combinations. You can see how accurate the predictions from the first book have been by checking the "Results" in this book. The first book was published on December 18, 2013. Results from 6/49 lotteries around the world after that date have so far verified and validated my predictions on a month-by-month basis. This book presents a two months' snapshot of the matching two numbers from nine countries around the world during January and February 2014. These results correspond with the predictions in my first book. I have now decided to publish the combinations for predicting three numbers on a month-by-month basis. I have also published the combinations for predicting four numbers in 6/49 lotteries for January only (Book 4).
