There's a little saying that makes a lot of sense here - "Those who can, do. Those who can't, teach." These teachers slap together a few things, call it an ebook, promise to make you money because one guy one time made a couple thousand dollars doing it, and hope that you'll fall for it. I have a feeling though that since, you're here, you're a little smarter than that. Now that we've got that out of the way, why don't we talk about what you're really here for: Dominating social media I've been dealing with social media since before Facebook even existed. Social networks come and go, those with real staying power are the ones that I focus on. Throughout my years of making a living online, I've noticed a few things that networks don't really want you to know. They don't want to be known as marketing platforms, but the beautiful thing is: They can't really stop you.
