You might be surprised to find that God is not a trinity.

The Trinity is one of mainstream Christianity's most widely accepted and revered doctrines held by millions of Catholics, Protestants and Orthodox believers. The belief that God is three persons—the Father, Son and Holy Spirit—coexisting in one being is how the trinity doctrine is often defined. But the word trinity appears nowhere within the pages of the Bible.

You can not cling to long-held religious traditions if they contradict the Scriptures. Your beliefs must rest solidly on the teachings of the Holy Bible.

This Bible Study aid, "Is God a Trinity?", goes into great detail explaining the non-biblical origins of the trinity and how this false gospel replaced the true teachings of Jesus Christ. Discover how the Bible communicates a true picture of God and learn about the awesome plan He has promised for you and all mankind.

Inside this Bible Study Aid ebook:

"Most people assume that everything that bears the label "Christian" must have originated with Jesus Christ and His early followers. But this is definitely not the case."

"Many historians and religious scholars, some quoted in this publication, attest to the influence of Greek or Platonic philosophy in the development and acceptance of the Trinity doctrine in the fourth century."

God the Father is the One who calls us to baptism and a new way of life (John 6:44, 65), and it is His goodness that leads us to repentance and baptism (Romans 2:4).

"As even the New Catholic Encyclopedia, quoted from earlier, acknowledges: "The majority of New Testament texts reveal God's spirit as something, not someone; this is especially seen in the parallelism between the spirit and the power of God..."
