Gwen can bet every pair of her Manolos that Cade Fletcher is trouble. From the moment she meets him, the attraction sizzles between them. Gwen has a problem when it comes to attractive men in motorcycle clubs. The last one she got involved with almost killed her.

After healing physically, Gwen decides to get a new start in a small town, half a country away from the man who nearly cost her her life. She isn't in town five minutes when she runs into Cade, a man that is too sexy and dangerous for his own good.

She tries to keep away from him, to ignore the attraction between them. But the biker has other ideas, soon she is in way over her head, and her heart, and her life are in danger once again.
