## **A Refuge from the Storm** Boyd K. Packer

In our tempestuous day, where can we turn for refuge...

It is no surprise to anyone familiar with prophecy that the latter days are stormy ones. We live in a very dangerous world that threatens those things that are most spiritual, writes President Boyd K. Packer. The adversary is about. His objective is to cause injury.

But there is a place of strength and peace, a true refuge from the storm. In this powerful book, President Packer discusses the priesthood, the family, and the Church, three important forces that, working together, create a haven from the world. The gospel of Jesus Christ enables individuals to become exalted by being part of eternal families, he writes. The gospel contains the purpose, the doctrine, and the plan. The priesthood is the power and the authority. The Church has the means and organization. The exalted, eternal family is the end of the gospel plan.

This apostolic counsel will help you build an unshakable foundation for eternity by strengthening your understanding of core doctrine regarding the priesthood, the family, and the Church.
