All the Queen's Men Linda Howard

THE PAST PROVED DEADLY..

No one knows the dangers of getting close to legendary CIA Black Ops specialist John Medina better than communications expert Niema Burdock. Five years ago, she and her husband worked with Medina on an explosive mission that ended in tragedy. Although she has slowly recovered from her terrible loss, Niema planned never to see Medina again. Until now.

HISTORY IS ABOUT TO REPEAT ITSELF....

A French arms dealer is supplying international terrorists, and only Niema can plant the bugs needed to crack the deadly ring. Against her best instincts, she infiltrates the dealer's glamorous world. But when the plan goes awry, Niema and Medina must take flight in a strange land -- and soon find their partnership sparked by an erotic charge. In a world of deception, John Medina has once again set Niema on a free fall into danger...and into desire like she's never known.
